**Testimonials:**

- JD, thanks so much for that putting lesson. I went out the next day and didn't three putt once in the entire round and made a few one putts. In fact my golfing buddy was so impressed he said he would book a lesson with you. So look out for his name. Once again thanks. Faizal H.
- I was formerly a single digit handicapper who had lost my way....the band-aid fixes no longer worked and I was losing 4-5 balls per round and struggling to break 100. I went to JD to rebuild my swing from the ground up. We went back to basics with grip, posture, stance, and alignment. We worked on distance control and swing path. Five easy lessons later, I'm back to shooting in the 70s and enjoying the game. Troy H.
- You called it when you said I would help on the short game (scramble tournament). I had some iron, wedge shots and putts that amazed everyone. The other players of the foursome couldn't believe that was my first actual outing. You're not going to believe it but I actually pared 4 holes on my own. Two par 3's, a par 4 and an astonishing par 5. JD, thanks man. You will definitely be part of my speed dial. Jose R.
